

PASTORS INTERCESSORY TEAM COMMITMENT CARD

Without a doubt, even as we build and grow, our church is on the verge of greater things, than we have ever seen. As we move forward, we must have a strong, faithful prayer base. The Pastors Prayer Partners ministry helps to provide that support. *Nothing is done well without prayer for the simple reason that it leaves God out of the work.* (E M Bounds) Please consider joining us in this most important ministry! Thank You!!
